

Code of Conduct for Judges

Judges exercise exceptional authority, which in turn requires them to assume exceptional responsibilities. Their overall effectiveness depends, not only on their technical competence and knowledge of the rules, but also on their maturity of judgment, self-control, flexibility and basic fairness and integrity. Beyond this, all Judges must be scrupulously careful to guard against any appearance or actuality of conflict of interest. In all questionable cases it is always wiser to acknowledge a possible source of a conflict and stand aside rather than permit suspicions to gain strength.

This code of conduct applies to British Dressage Judges at all times when attending or judging at competitions. It should be considered in conjunction with the current British Dressage Rule Book.

1. Judges should act with integrity and always put the sport and the horse's welfare first.
2. Judges should be:
 - (i) Honest and Open
 - (ii) Respectful to riders at all times
 - (iii) Objective, fair and unbiased
 - (iv) Supportive and encouraging
3. Judges should always conduct themselves in a professional and appropriate manner when acting in any official capacity.
4. When at a show or acting in any official capacity Judges should be considerate and respectful to other Judges, competitors and show officials.
5. A Judge should not conduct themselves in a manner detrimental to the character of and/or which may be prejudicial to the interests of British Dressage.
6. While officiating at, or attending any British Dressage event it is inappropriate to drink alcohol or be under the influence of any medication or substance which may affect judgment or conduct.
7. Judges should not solicit organisers for future invitations.
8. Opinion and comments on any of the combinations judged should be heard only by the writer and / or any person(s) invited to sit-in, and shared only with the competitor in question. Care should be taken not to discuss particular tests with anyone else.
9. Be discreet and loyal to fellow Judges at all times.
10. Avoid judging any combination with whose training they have been involved in on a regular basis, unless exceptional circumstances demand it, for example, at very short notice. In this instance a conflict of interest must be recorded with the Organiser.
 This procedure must not be resorted to at a Regional/Winter/Summer Championships.
 N.B. Regular Training is defined as lessons given monthly and would include any training given in the four weeks preceding the competition.
 Please refer to the judge restrictions in the Judges Panel and Rule Book.
11. The current mileage rate is 0.45p per mile. Any other charges are by prior agreement with the Organiser and the Judge is responsible for any tax implications.

Procedural guidelines for judges

1. Reply promptly to judging invitations.
2. Ensure that you know the appropriate test and rules.
3. Dress smartly and in accordance with the status of the event. Do not wear advertising clothing (i.e. jackets, sweatshirts with company logos or branding).
4. Arrive in plenty of time.
5. Inspect the arena, checking the going and the positioning of the letters.
6. Be courteous to your writer. Explain how you will give your marks and comments. Warn your writer of any tricky parts of the test.
7. Do not allow competitors or their connections involved in the class to sit in.
8. Keep to time.
9. Check the score-board and the results before leaving the show. If you are unsure of the accuracy of the scorers, have the result checked.
10. If judging as a member of a panel, be prepared to discuss the judging afterwards - in private.
11. If you are not able to fulfill a judging commitment it is up to you to find a suitable replacement i.e. a Judge of the correct list for class to be judged and one who lives a similar distance to venue. Discuss with Organiser in first instance.
12. Every eventuality cannot be provided for. In any unforeseen or exceptional circumstance, it is the duty of the Ground Jury to make a decision in a sporting spirit.

Appointment and deselection

All Judges of affiliated classes must be on the Official Judges' Panel. They are appointed by the Organisers of competitions or by British Dressage.

Judges must be 18 years or over upon application.

Complaints about Judges will be dealt with as per the Judge Complaints Procedure.

Judges subject to investigation may be suspended until their hearing where appropriate.

A Judge may be deselected from the Official Judges Panel by British Dressage if he or she:

- a) is in serious or repeated breach of the British Dressage Judges' Code of Conduct;
 - b) brings British Dressage or its name or reputation into any form of disrepute;
 - c) is determined by the Disciplinary Sub-Committee or the Chief Executive (using his/her summary powers) to be in breach of any British Dressage Rule; or
 - d) commits any act of dishonesty or criminal offence.
- e) is in breach of any of the sub-paras a-q inclusive of rule g6.

Foreign Judges

Foreign Judges may not officiate at affiliated Dressage Competitions unless they are F.E.I. Official, International or Candidate Judges (FEI 3, 4 or 5* Judges). Other National Judges from abroad may officiate with the permission of the British Dressage Judges Committee. Irish List 3 and above Judges who are BD members, may judge BD competitions one level below their Irish listing but not at Regional Championships.

Positioning of Judges

A jury usually consists of 2, 3 or 5 Judges.

The five points around the arena where Judges may be positioned are; on the outside of the arena at E, H, C, M & B. The President (C) sits on the elongation of the centre line, the two others (M & H) in from and on the inside of the elongation of the long sides. Side Judges (B & E) should be placed on the outside of the arena at B & E. There should always be a Judge at C but the positioning of the other members of the Jury may be decided by the Jury. A Jury of two Judges may be positioned close together either side of the elongation of the centre line or one at C and one at E or B. The judges box should be sited a minimum of 2 metres away from the side of the arena to ensure a full view.

Judging restrictions

The following restrictions for affiliated dressage competitions must be observed:

- a) The Judge may not be the owner of or have a financial interest in any horse in the class.
- b) The Judge may not be in a relationship with or a close relative of a rider or owner.

- d) No Judge may judge a horse at levels up to and including Advanced Medium, if that horse has been in their ownership within one year of the date of the competition concerned.
- e) The Judge should do their best to avoid judging any combination with whose training he/she has been involved on a regular basis, unless exceptional circumstances demand it, (for example at very short notice,) and in this instance a possible conflict of interest must be recorded with the Organiser. Regular training is defined as lessons given monthly and would include any training given in the 4 weeks preceding the competition.
- f) No Judge should judge a musical freestyle if they have participated in the making of a musical CD used by a competitor in the class.

Judges Complaints Procedure

Complaints relating to Judges, a Judges conduct, behaviour or performance or the judging of a particular class or competition will be considered according to the following procedure:

Requirements

All complaints must be made in writing and be signed by the complainant who shall also give their full name and address either by letter or email addressed to the Chief Executive.

Complaints not made in accordance with this rule will not be accepted.

Complaints will only be accepted in relation to the conduct or performance of BD Judges in connection with affiliated competition. Complaints relating to unaffiliated competitions will not be considered unless BD has provided judging services to a related organisation (including British Eventing, The British Riding Clubs and The Pony Club).

Complaints regarding scores will not be accepted, (Rule 92 provides that a Judge's decision is final in relation to scores). Complaints or challenges to scores should be dealt with under Rule 94 – Objections.

Complaints should where possible be supported by evidence or statements from independent witnesses.

Confidentiality

Complaints will be dealt with in a discrete manner.

Process

1. As soon as possible after an incident anyone wishing to complain should send a written complaint to the CEO giving as much information as possible about the incident concerned including where possible details of any independent witnesses and any video/ DVD and or copies of any test sheets of other documents. The complaint should be sent to the CEO to either:

Email: amandabond@britishdressage.co.uk

Post: Chief Executive, British Dressage, Stoneleigh Park, Kenilworth, Warks, CV8 2RJ

If a complaint is made more than 14 days after the incident complained of, the Chief Executive may in his/her sole discretion refuse to investigate the complaint.

2. The CEO will acknowledge receipt of the complaint as soon as reasonably possible. The CEO may at this stage request further evidence such as video/DVD, copies of test sheets or names of witnesses.
3. The CEO will review the complaint and supporting evidence to consider whether or not it requires further investigation. Complaints not supported by evidence are unlikely to be considered or investigated. In this respect the decision of the CEO is final.
4. If the CEO considers that the complaint should be investigated, the Judge detailed in the complaint will be asked to respond to the complaint. Such response should be received by the CEO within 14 days of the request for a response being made. In the absence of a response the CEO will be entitled to consider the complaint in any event. The CEO will also make any further enquiries he or she considers to be appropriate.
5. If having made further enquiries the CEO considers that the complaint should be pursued further, the complainant will be informed and a copy of the complaint may be provided to the Judge who is the subject of the complaint.

Complaints for poor conduct

Following investigation the CEO may take one or more of the following courses of action.

- (i) The CEO may decide to take no further action.
- (ii) The CEO may issue cautions or reprimands under Appendix 4 of the BD Rules.
- (iii) The CEO may refer any complaint to the Disciplinary Sub Committee for consideration and a full hearing. In this instance, the Judge will be suspended from judging until the outcome of the hearing (under Rule 92 of the BD rule book).

Judges receiving two or more cautions or reprimands in any 12 month period will be referred to the full Judges Committee. In such event the Judges Committee will consider the previous complaints and may take such action as it considers appropriate in the circumstances.

For the avoidance of doubt the Judges Committee will also give an opportunity to the Judge complained of to make representations.

Judging complaints

Complaints of poor judging will be reviewed by the CEO and at least one member of the Judge Complaints Committee who may take one or more of the following courses of action.

- (i) To take no further action.
- (ii) To issue a warning letter to the Judge. Such a letter will be in the form of a letter guiding the Judge concerned how the matter should or could have been dealt with more effectively.
- (iii) To refer the matter to the full Judge Complaints Committee.

In the event that a warning letter is issued the Judge may either accept the letter or may request the CEO to refer the matter to the full Judge Complaints Committee. Such request shall be made within 21 days of the issue of the letter of concern.

Judges receiving more than two warning letters in any 12 month period will be referred to the Judges Committee. In such event the Judges Committee will consider the previous complaints and may take such action as it considers appropriate in the circumstances. For the avoidance of doubt the Judges Committee will give an opportunity to the Judge complained of to make representations.

Any appeal from a decision of the Judges Committee or the Judge Complaints Committee will be in accordance with the BD Rules from time to time.

The Chief Executive may in their sole discretion provide the complainant with information concerning the outcome of the complaint.

The decision as to how a complaint is dealt with in this procedure is a matter for the CEO in his/her absolute discretion.

Summary of Penalties

The following table summarises the reasons for which a Judge may either deduct penalty points or eliminate a combination during the course of a dressage test. The mark should be highlighted for the scorer to see but not to be confused with errors of course.

Where there is doubt that a competitor has contravened a rule, the Judge should let the test continue and refer to the Rule Book after completion of the test. If it is clear that the competitor should be eliminated, then he/she must be told the reason why verbally.
